The Owner(s)/Seller(s), by signing below, acknowledge(s) that the Broker has fully informed the Owner(s)/Seller(s) of the potential benefits to the Owner(s)/Seller(s) of using the MLS for the sale/lease of the Property. The Owner(s)/Seller(s), by signing below, acknowledge(s) those potential benefits and further acknowledge(s) the following:

1. That by delaying the filing of the Property with the MLS, (a) the Property may not be exposed to more than 38,000 real estate agents who use the MLS until such time as the Property is listed with the MLS, (b) without such exposure, the Owner(s)/Seller(s) may not have the opportunity to achieve the highest market valuation for the Property and (c) the Owner(s)/Seller(s) are instructing the Broker not to market the Property until such time as the Property is filed with MLS PIN.
2. That the decision to delay the listing of the Property with the MLS is solely the decision of the Owner(s)/Seller(s), initiated by the Owner(s)/Seller(s).
3. That the Broker is a subscriber to MLS PIN and, as such, the Broker has an obligation to report all properties to MLS PIN for listing with the MLS within the time provided in the MLS PIN Rules and Regulations, unless the owner/seller, at its own initiative, decides that it wants to delay the listing of the property with the MLS.
